Subject: Griffin debate

I have lived in Waterloo almost all my life. I am sick and tired of seeing shootings nearly every night and seeing felon with weapon. Then a few weeks later seeing the same felon arrested again, maybe even armed. The police haters fixate on this symbol yet will not tackle the problems of felon with gun or repeat offenders. It makes a nice SHOWBOAT but will accomplish NOTHING but waste city money. It's my personal opinion that the majority of this discord is brought on by police haters many of whom have criminal records. They will NEVER accept the police and law and order no matter what. They in my opinion want anarchy not order.
