Subject: Waterloo Iowa Police Patch

Dear Mayor Hart,

It is with heavy heart that I write to you. I am a retired Waterloo Police Officer and remember when Chief Robert Wright

was in the process of finding a new patch for the Waterloo Police Officer's uniform. He and his fellow officers worked hard in

finding one that would first of all make Waterloo, the city, stand out as a symbol of Protecting with Vigilance, the citizens of Waterloo.

Protecting and serving the most important part of the city, The People/Citizens, All the people and citizens!

*After many hours of research they decided on the Griffin.. please see this website:
<https://mythology.net/mythical-creatures/griffin/>.*

The Griffin is not a Dragon, far from it. The Griffin combines the best trait of The Eagle and the Lion. It is a protector from evil.
