Subject: Businesses with the Griffin Symbol

Dear Honorable Mayor Hart and City Council Members,

It's John Beckman again with one more thing that I would like you to consider regarding the removal of the Griffin symbol from the Waterloo Police Department.

The attached document contains photos of a number of businesses and sports teams that bear the Griffin symbol as part of their business/sports logo. Please take a moment to scroll through these images.

If the Griffin is such an evil and hate referenced symbol, I wonder why so many people choose to use it as part of their reputable business logo.

For your consideration.

Sincerely,

John Beckman
