Griffin Business Solutions is one of the leading companies in Montreal.

Birmingham, Michigan

For generations, sculptures of griffins have stood atop downtown's Birmingham theater. In fact, they're among the city's oldest existing public sculptures. In mythology, griffins are half lion and half eagle – the king of beasts and the king of birds – and represent strength and courage. This design features the shape of a griffin modeled on the original theater sculptures.

Family Owned, American Made

Cambria prides itself on being the leading family-owned, American-made producer of natural stone surfaces. That's a rare combination in today's increasingly globalized marketplace. For our customers, that means a top-quality, handcrafted product they can be proud of with breathtaking beauty, exceptional durability, and maintenance-free convenience. All backed by our dedicated customer service representatives in Belle Plaine, Minnesota, and a Full Lifetime Warranty.

Humble Roots. Big Vision.

As a family-owned company with beginnings going back nearly 80 years, we have a lot to say about doing business the right way. Our ability to work hard and think big has been the reason for our growth. Plus, our entrepreneurial spirit sparks innovation throughout all the Davis family businesses.
