Subject: The Waterloo Police Dept. patch

Mr. Mayor and City Council members;

Please drop the absurd discussion of trying to connect the Waterloo PD Griffin with anything racist. This is a futil attack on the men and women that wear and represent that uniform everyday.

With no evidence to support the couple of claims, this is a waste of the City's time. There are much more important and honest problems facing this community that your time & efforts best be spent on.

I know I will, and believe many other community members will paying attention to those of you attempting to push such phony issues through our city Govt.

Sincerely,
Derek Davis
Waterloo resident
