Mayor Hart,  
I am writing to ask you to listen to the majority of Waterloo and keep the Griffin. As the mom of a former Waterloo Officer and mom-in-law to a Current Waterloo PD Officer I am asking

for your support for the Waterloo PD, not only in keeping the Griffin but in support of all their work. Our Officers are hardworking, professional men and women. The Griffin is obviously not a hate symbol as research will tell you. Also, I am curious as to where the funding will come from to create new and replace all the existing Griffins. That money would be better spent on mental health care. Please show your support for our hardworking Officers. Thank you.
