To all,

As registered voters, and tax paying citizens of Waterloo, we'd appreciate it, if you show respect to the many dedicated men, and women of our police department. Wanting to erase history, and change their symbol of the griffin, is completely ridiculous, and a waste of

resources.

We thought the members of city council were better than this..at least when we voted, we did...Get it together, and quit wasting resources on a ridiculous cause. Have you even researched and studied the symbol of the Griffin? We think not, otherwise this wouldn't have even been brought to the table. Show some much deserved respect to those brave men, and women, who respect us all enough to serve, and protect everyday. No questions asked, they just do it. Why? Because they apparently love the citizens of Waterloo more than you do. Quit trying to divide the city, by made up reasons to cause issues. Get it together!

SAVE THE GRIFFIN!

Sincerely,
Two concerned, disgusted, registered tax paying citizens of Waterloo.
