Mayor Hart,

I am not in favor of changing the current police department logo.

The symbol is not racially offensive once the factual background of the symbol is understood.

Making changes based on feelings over fact are not in the best interest of the city or its residents.

The cost for making such a change are substantial and unwarranted.

Even if the logo is changed someone will come forth with an objection.

Please take this opportunity to support the police department during a time our support is lacking.
