Mayor and Council,

I am writing tonight to ask you to support our Waterloo Police Department by opposing the changes being brought forward by Pat Morrissey. I have lived in Waterloo for more than 80 years and later this fall I will be selling my home and moving out of town. Some of the recent

actions by the council have, in many ways, made this decision easier for me. I believe that this is the worst possible time to be having this discussion. It should not pass but at the very least should be postponed. All council members should be required to sit in the council chambers and look into the eyes of the public before they cast their votes. Right now almost the entire council is still zooming into the meetings despite the fact that the majority of their constituents have had to return to work.

I stand with the Waterloo Police Department. I hope you will too.

Thank you,

Errol Brown
