Subject: City council meeting regarding police

Mayor,

I know these are unprecedeted times and everyone is just trying to do what they believe to be right, but after reading the different agendas trying to be passed, I believe that they would put police officers in harms way and impede justice. Please support our police officers while they try to do a thankless and dangerous job for the good of the community, and please don't take away necessary tools that help them do so.

Sincerely,
Danae
