Subject: Griffin patch

Please do not remove the Griffin patch. I have been an ER physician in Waterloo since 1981. I have worked extensively with the men and women of the Waterloo police force during that period of time and have found them to be a fabulous group of people. They have tremendous dedication to this community and impeccable integrity. It would be ridiculous to remove the Griffin symbol, as that would be a slap in their face. Not to mention a tremendous waste of tax dollars. Now is the time for Waterloo administration to stand in support of our police. Thank you for your consideration. Sincerely, Keith Ruffcorn, MD
