**Subject:** Resolution Ordering the Waterloo Police to Develop a New Insignia

Greetings Mayor Hart and Members of the Waterloo City Council,

We write you today concerning agenda item nine on this evenings agenda, the Resolution Ordering The Waterloo Police to Develop a New Insignia. We ask the City Council to not support the Resolution, to seek more public input, and to table this item indefinitely. In reading through the Whereas, the first and second Whereas seen factually, the third and fourth seem quite subjective. This symbol of the Waterloo Police Department was adopted in 1964, Jack Bender a well known Waterloo-Cedar Falls Courier artist along with then Chief Robert Wright designed the Griffin Patch. We believe the Griffin patch should remain on the uniform of our Waterloo Police.
