Dear Mayor and the Telecommunications Board,

I've enjoyed serving on this board very much. I believe in its mission and the new direction of giving our citizens more options for their internet connectivity needs.

However, due to some changes in my life and time commitments, I feel it is best for me to step down from my role on the Telecommunications Board.

I wish much success with this new endeavor that the board is in the process of for the betterment of Waterloo community.

Thank you for the opportunity to serve.
